The Motorcycling NSW Youth Advisory Council (YAC) has been created by Motorcycling NSW to ensure Motorcycling NSW is member-focused and prioritises youth inclusion and participation throughout its strategy and operation. It is designed so that the Motorcycling NSW Board and Management are able to receive direct input from youth on issues of importance to them relating to Motorcycling in the most interactive and effective way possible.

The YAC gives young people the opportunity for growth and personal development, whilst gaining an insight into Motorcycling NSW. It is also a way for Motorcycling NSW to ensure that young people can participate in discussions and decisions that affect them, are taken seriously, and can express their views on their participation in our sport. This is consistent with Motorcycling NSW's approach to being a child-safe organisation and in line with the national principles.
