Event Welcome

It is with great pleasure that I welcome you on behalf of the members of the Coffs Harbour Motorcycle Club to the Adventure Powersports & Outdoor NSW Senior Dirt Track Championships

The NSW Track Championship is the pinnacle of the disciplines racing in NSW and today we will see the best compete to be crowned State Champions and have their names etched into the history books of the sport and into CHMCC history at our first Track Championships using the new "Brian Mallet Long Track".

Brian as a Life Member of the club has spent countless hours at the track over many years and we are fortunate to have Brian back involved with CHMCC events running the canteen with his children and Grandchildren also part of the action here today. It was only fitting the layout was named to recognise his service to the club.

This event isn't just about the championship classes we have many support class podiums up for grabs including the stars of tomorrow in the junior classes, The bikes of the past with the Pre 90's machines, The madness of the Flat Track Twins and of course the 19" TT Feature which will showcase one of the fastest growing areas of our sport as the CHMCC continues to provide more accessibility for Australian riders to align with the rest of the world on the 19" Flat track setups.

Adventure Powersports & Outdoor began our involvement with the CHMCC 12 months ago when we were presented with the vision for the Dirt Track facility following the improvements that had been completed on the MX facility and the clubs desire to bring top level events to the facility.

This included new fences, new 19" TT sections, the Junior development track inside the Dirt Track for the minibike riders and of course a much-needed clean-up of the venue. As you look over the venue today, we see a track that has been improved, made safer and looks the best it has for the last 10 years.

Much of this work has been co-ordinated and undertaken by Ben Blanchette and Greg James and they should be congratulated for their vision to improve the facility, along with the work that has been done to unify our club with a shared focus to improve the opportunities for all motorcyclists on the Coffs Coast no matter what discipline they ride.

We look forward to a long-term partnership with the CHMCC and to share our ingrained passion to support the sport and the racers from the grass roots level through to the pinnacle of the sport.

To the competitors. Race hard, race fair and race safe, but most of all have fun and remember if you're not smiling, you're doing it wrong!!
