4. ENTRIES

4.1 Entries are open for each round on the Monday two weeks prior to the event until 9pm on the Thursday immediately prior to the event. Late entries will only be approved by the series coordinator. Where late entries are accepted a \$40 late fee will be applied. Late entries may not be included in programs / riders' lists.

4.2 Only entries received via Ridernet will be accepted. The onus is on the rider to enter the correct class. If an entry error is made, your entry may not be honoured. Note* Endorsement and Clearances must be uploaded to Ridernet by close of on-time entries. Failure to do so may result in the associated entry being withdrawn. If due to technical difficulties entries become oversubscribed, affected riders will be notified, and entries will be valid in order of which they were registered in Ridernet.

4.3 In the case of postponement or abandonment of the meeting, all or any part of the entry fee may be retained by the Promoter [the clubs], subject to the approval of the RCB.

4.4 Rounds or dates may change due to circumstances out of our control. If such events occur registered riders through ridernet will be notified via email.

4.5 Entry fees will only be refunded if a rider informs the series coordinator, by email, **5 days before the event. A medical certificate is required if a rider withdraws less than 5 days before the event.** All refunds will incur a \$30 admin fee.

4.6 A rider is considered to have withdrawn if a rider;

- a) Officially withdraws prior to the event,
- b) Is ineligible to compete (for example has an active suspension, missing endorsement or entry error)
- c) Does not complete sign on and scrutineering or
- d) Withdraws from competition on race day by notifying the series Race Secretary, Nicole Millard via call or text on 0455 464 039 or email ironmanmx25@gmail.com.

4.7 Only 40 entries per class will be accepted (30 for Inverell). Entries received once these numbers are reached may be placed on a waiting list by registering your details here; <https://forms.office.com/r/5CVHMPExU9>

You will be contacted by the Series Race Secretary if a position becomes available. If additional entries are taken for demand, classes may be split to create an additional age group or class of competition.

5. ENTRY FEE

5.1

	Round Entry Fee	First Class Fee	Additional Class Fee
Demonstration	\$50*	na	na
Junior	\$85*	\$35	\$35
Senior	\$95*	\$35	\$35

5.2 *Entry fee includes electronic timing levy of \$10 per rider (included in entry fee, ie. Junior = \$75 entry & \$10 timing levy, Senior will be \$85 + \$10 timing levy). Transponders for timing will be Motosponder. If you don't have your own transponder there will be transponder available for purchase at \$20 for a single transponder and \$40.00 for a clone set of transponders each specifically from the series coordinator.

5.3 Payments and any refunds to be processed through Ridernet only.

6. ENTRY PASSES

N/A

7. INSURANCE

7.1 Those who hold an MA licence current for the duration of the Event, and officials, who are signed on for the Event are covered by MA's National Personal Accident Scheme which provides basic cover for rehabilitation expenses and death and permanent disability benefits. For more information see [Insurance - Motorcycling Australia \(ma.org.au\)](http://ma.org.au)

7.2 Ambulance Insurance is compulsory for licensees.

7.3 It is strongly recommended that competitors consider taking out weekly benefits insurance.

8. MEDICAL SERVICES

To be confirmed by each host venue and published in each individual event permit in Ridernet.

9. SCRUTINEERING

9.1 Scrutineering will begin at the times specified in the final instructions for each round.

9.2 Machines entered in the competition must have successfully passed a machine examination as per the GCRs 8.8, prior to taking part in practice, qualifying or racing. An Ironman MX decal will be supplied to be placed on the front number plate to indicate that it has been successfully examined.

9.3 Juniors must present at scrutineering with a parent or guardian over the age of 18 with their riding gear, boots, chest plate, helmet and riding jersey. Eligibility checks can take place at any time during the meeting.

9.4 Machines which suffer accident damage in practice or race sessions must be re-examined before participating again.

9.5 All riders with electric bikes must ensure they have read and are compliant to the MA Bulletins and GCRs specific to electric machines. All bikes must be inspected for '**Power Output**' setting to match the compatible class when they are being locked out, if they are not displayed or made visible to the scrutineer, they will not be able to participate for the day.

9.6 At each round the Technical Officer/Scrutineer will perform random spot checks on machines and gear. If a fault/issue is found, it must be rectified immediately to continue participation. Eligibility checks can take place at any time during the meeting.

9.7 In addition to supervising the pulling down and checking of machines after official protests have been received by the Clerk of Course in accordance with the GCRs, the Steward can order that any machine be measured and if this occurs the Technical Officer/Scrutineer will supervise a team member to pull down any machine that has taken part in the event. Failure to comply with this regulation will result in this matter being referred to the Clerk of Course for further action.

9.8 For the purposes of drug & alcohol testing, the commencement of the meeting will be deemed to be when sign on starts with the completion of the meeting for the participant being when the participant has vacated the venue.

10.3 Electronic timing

Electronic timing will be used at all rounds of the Ironman Series. The system being used is Motosponder. It is compulsory that all competitors have their own transponder to use for the event. A single transponder is required for a single bike, 1 class or a clone transponder (2) for a competitor competing in multiple classes with 2 bikes.

If you don't have your own transponder there will be transponder available for purchase at \$20 for a single transponder and \$40.00 for a clone set of transponders each specifically from the series coordinator.

We will ensure to the best of our ability that live timing results are available at all rounds of the series through race monitor. The app is available through the apple and google store for a small subscription fee.

11 ENTRIES TO CONSTITUTE A CLASS

11.1 To constitute a class for the purpose of gaining Championship status, the number of contestants entered and competing in each class shall be no less than 10.

11.2 Should there be insufficient entries in any class of competition, the decision to run or cancel the class, or to combine events and re-distribute any awards and/or prizemoney, will be at the discretion of the series co-ordinator.

12 STARTS AND FINISHES

12.1 Starts will be by backward falling gates and finishes will be signalled by waved chequered flag.

13 FLAGS AND SIGNALS

13.1 As per 2025 GCRs

14 RACE FORMAT - Ironman MX

14.1 All classes of competition will contend 6 rounds for the series. At each round, racing will consist of 2 or 3 races at the discretion of the organisers schedule for each individual class per round. Race length will be as per the table below. Race/Practice format may be varied by the Steward, Clerk of Course and Race Secretary with the approval of the Steward due to entry numbers, weather, injuries, track conditions, time constraints and/or delays. The Final Instructions will contain the provisional Race Order.

It is the rider's responsibility to ensure that they are present at Rider's Briefing and that they monitor the Ironman MX Stack Team App (if used) and/or any PA announcements for any changes to the race format/order throughout the day or leading up to the event. If a participant is under the age of 18, parent/legal guardian also takes on this responsibility.

Where classes are combined for racing (Senior Pro/Vets/Women), the total number of entries will be limited to 40.

Entries will be capped at 40. However, ****PLEASE NOTE: Only under exceptional circumstances where there is a large demand for a class, and only if time in the schedule permits, the Race Secretary, in consultation with the Steward, reserves the right to expand the class to over 40 maximum of 80 consisting of two separate groups. Entries will be randomly selected in 4 categories and will race as follows;

For rounds 1 through to 5 of the race series the format will be;

Series Scoring – As per 10.2. Rounds 1 through to 5 will be scored with the normal points system. Round 6, the series final will be scored as a double-points round. All points will accumulate up and the 'Ironman Series' results will be determined after the completion of the Round Final double points round.

Practice – 2 or 3 laps depending on track length, timed practice and qualifying laps will dictate the first gate pick by fastest qualifying time to the slowest.

Race Format -

MX2 (A & B Grade)	2/3 Laps*	18 mins + 2 laps	18 mins + 2 laps	N/A

Please note: Junior Classes (65cc 7-U10 & 10-U12), and Senior Classes (Veterans & Women), and (MX1 & MX2) may become a combined grid but will be scored separately with low numbers. If classes are combined and have different race lengths, then the longer race time will be utilised. A double gate drop may be utilised if classes are combined.

Series Eligibility

To be eligible for an overall series championship position, the competitor must have competed in 5 of the 6 rounds. Failure to do so will remove the competitor from the overall series championship standings / results.

Constitution of Event

As 3 completed events are needed to constitute a series, if only 3 events are completed, points from all three events will be counted to complete the series.

The codification of the behaviours expected of MA members and all who attend or participate in motorcycling is contained within MA's policies, including its Member Welfare Policy and its Social Media Policy, which can be found at [Policies - Motorcycling Australia \(ma.org.au\)](http://Policies - Motorcycling Australia (ma.org.au)).

31 FIRE EXTINGUISHERS

31.1 It is recommended that all riders should have a minimum 2kg, dry powder A:B (E) class, working fire extinguisher in their pit area

32 ADMISSION CHARGES

32.1 There will be no entry fee for spectators coming to watch the race.

33 DISCIPLINE SPECIFIC INFORMATION

Retailing of Product: No person other than an official series sponsor may retail any product or service within the venue bounds unless prior written approval has been granted by the promoter (clubs) and series organiser. Approval requests to be sent in writing to ironmanmxseries@gmail.com

Pit Bikes/Motorised bikes/Scooters and Push Bikes: Motorbikes are permitted to and from the racetrack at walking pace only. Anyone found riding/testing/practicing their bikes in back pit areas may be penalised. Pit bikes motorised OR electric bikes/scooters ARE NOT PERMITTED AT ANY TIME! If you are on any wheel machine, you must hold an MA Licence and must be signed on. This includes push bikes. Push bikes are permitted to be ridden to and from pit site to racetrack for commuting only, helmets must be always worn, and push bikes must be ridden at walking pace and with due care and attention (this always means both wheels on the ground). Road rules apply. If these rules are not followed, pushbikes may be confiscated for the day and a no push bike rule will be enforced for remaining rounds.

Photography: The Promoter (clubs & series organiser) reserves the right to use the images and names of any competitor, team or manufacturer in any present or future series advertising media as it sees fit. If you do not wish to have your photo taken you must contact the Race Secretary or Series Co-ordinator prior to start of the event. Personnel wishing to do any on track photography must apply to Race Secretary prior to the event to obtain clearances/approval.

Photographers must be Media Licenced through Motorcycling Australia and signed on before the event commences. All photographers invited by the event organisers only, if a fee is not paid to the club for the purpose of financial profit to be gained by the photographer, then the complete file must be provided to the coordinator of the series as the fee.

Marshalling: It may be necessary for the rider or an entrant to supply a flag marshall for one round of the day's racing most of the time, where possible the individual clubs will provide flag marshals only if they are available. All information will be provided in the rounds final instructions leading up to the race.

Electronic & Social Media: Series organisers & officials may use Stack Team App, emails and /or social media (official facebook and Instagram accounts) to advise of Round/Series updates. During the event, and in the weeks leading up to each round the Social Media posts or Stack Team App will be used to share important information. This may include update/changes to race order or special instructions. The onus is on the rider to familiarise themselves with this App or Social Media releases. Failure to connect to Team App may result in important information being missed.

General Housekeeping:

- Enclosed footwear is required at all times in pit areas and on the track. (Crocs do not constitute as enclosed footwear and are not permitted.)
- Smoking / vaping is not permitted at anytime within the club compound.
- Only service animal (guide dogs) are permitted to be brought to the club compound. All other animals are strictly prohibited.
- Failure to comply with the above conditions may result in you being asked to leave to venue and or the competitors race entry being cancelled.
