Between the hours of 6am until race completion on Saturday and Sunday there is to be NO Pushbikes. No Smoking (there will be a designated smoking area) No Alcohol and NO Open Footwear i.e., closed shoes must be worn at all times)

INJURED RIDERS: If you have stopped and rendered assistance to a fallen rider, you may apply in writing within 30 minutes of the end of the race in which the incident occurred, to be compensated for time lost (Forms are available from Timing and or Event Secretary).

The CoC shall consider the validity of such an application and may, if satisfied that the applicant did stop and render assistance, award the applicant and any other rider whom the CoC is satisfied also stopped and rendered assistance, a time that is commensurate with the position the applicant was in when they stopped to assist the fallen rider, with reference to the times set by other riders that the applicant was directly competing against.

SOUND: Sound testing may take place at any time at the discretion of the Clerk of Course or Steward. Sound testing for 2025 will be carried out using the 2-metre max. method.

The accepted level is 112dB/A (with a 2dB/A tolerance). Details of this testing procedure are outlined in the 2025 GCRs. There will be zero tolerance of noisy machines as noise is the biggest problem facing the future of our sport. Penalties will apply for noisy machines.
